Please amend paragraph [004<sup>43</sup>~~5~~] as follows:

-- The cable 90 is retained by means of a cable bracket 714, mounted to the frame 500,  
~~114~~ and can be adjusted by a cable adjuster 116 with an adjuster nut 118. Cable adjuster bracket  
support bolt 722 ~~120~~ and a jam nut 720 ~~122~~ are adjustable to remove any flex in the cable  
adjuster bracket 714 ~~114~~ when tension is applied.--
